teaching, research and service consistent with the College and University Missions. Faculty members are expected to demonstrate leadership in the

criteria listed that is consistent with the College and University Missions.

TEACHING. Faculty members are expected to provide evidence of ongoing excellence in teaching.

SERVICE. Senior faculty members are expected to provide a high level of

service to the College, the University, his/her Profession and the Community. Such service should reflect not only participation but a leadership role in two or more phases of service, i.e., College, University, Profession and Community. Senior faculty members are expected to demonstrate leadership in mentoring junior faculty.
